I have attached charts depicting the public and private land ownership of burial mounds and all burial sites. I have also included a chart depicting the number of burial disturbance requests we review in the Wisconsin Historical Society database per the request of the Study Committee.

**Mounds Land Ownership**

- Private land
- Public land (tax exempt)

Ownership of Burial Mounds (*)

- Private: 2183 (79% of Mound Sites)
- Public: 583 (21% of Mound Sites)

*Note: There remain areas of the state that have not disclosed plat records.
Ownership of All Burial Sites

Private: 4974 (54 % of All Burial Sites)
Public: 4258 (46 % of All Burial Sites)
